	Infection and Immunity	30	6	Optional		
	Parasitology of Human and Veterinary tropical Diseases	15	6	Optional		
	Practical Investigative Biology	15	6	Optional		

Part 2: MSci Wild Animal Biology students entering Stage 3 and 4 in 2018-19

---

Principles of Pathology	30	6	Optional
-------------------------	----	---	----------

Part 2: MSci Wild Animal Biology students entering Stage 3 and 4 in 2018-19

	Detection, Surveillance and Emerging Diseases	15	7	Optional (if not studied at Stage 3)		
	Ecosystem health	15	7	Optional		

Students planning more than a Stage ahead should be aware that the College will not deliver any module or part of a programme if circumstances have changed to threaten its quality or viability. Such offerings could change after a student has started the course. However, the College will always offer alternatives that will be of equal cost in both fees and add-on expenses to the student and of equal academic value.
